Dear Parent/Guardian:

Your child recently toured the Anderson Districts 1 & 2 Career and Technology Center (ACTC). Today he/she was given the opportunity to request a class or classes to take during his/her sophomore year by completing an online course request form. Information about our courses are available on our registration website which was given to your child to take home to discuss with you.

Students will be meeting with their counselor (or advisor) at their high school next semester to register for high school classes for 2021-22. Students will have the opportunity to drop their ACTC class at that time if they no longer wish to take the class. Change requests may also be made at District One's CAPS Conferences in March or District Two's IGP Parent Meetings.

Thank you for taking time to review your child's request with them. If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chris Latsch', written in a cursive style.

Chris Latsch
School Counselor
